		1-100 clock hour programs		<b>\$1,000/semester</b> \$667/trimester \$500/quarter					

**1 Matriculated Part-Time Students:**

- a. **Undergraduate & Graduate Students:** Degree-seeking students enrolled at a regionally accredited college or university, carrying the number of credit hours required to qualify as part-time status, as per official policy according to the institution's Registrar's Office classifications, will be considered part-time. All undergraduate and graduate students must also provide proof of 30 hours of work per week in addition to official class schedules to qualify for part-time funding.
  - b. **Vocational Students:** Certificate-seeking students enrolled at a regionally or non-regionally accredited trade or vocational school, carrying between 1-299 clock hours, or the number of credits hours required to qualify as part-time status, as per official policy according to the institution's Register's Office classifications, will be considered part-time. All vocational students must also provide proof of 30 hours of work per week in addition to official schedules to qualify for part-time funding.
- 2** Scholarship awards are paid directly to the academic institution in one lump sum each term. **Award per semester** is based on an institutional academic system that operates on a 2 semester schedule. **Award per trimester** is based on an institution that operates on a 3 term schedule. **Award per quarter** is based on an institution that operates on a 4 term system. Scholarship and stipend amounts will be adjusted accordingly on a case-by-case basis for any student attending an institution operating on any academic system terms other than those specified above (e.g. sessions).
- 3** **Stipends listed are the total amount a student is eligible to receive PER term.** Stipends greater than \$2,000.00 in total are divided into 8 biweekly installments that are paid to the student throughout the term. Stipends that are \$2,000.00 or less are divided into 2 installments paid to the student once at the beginning of the term and once at the end of the term. **If applicable:** official copy of lease agreement or mortgage statement required. Copy of marriage license, domestic partnership certificate, or divorce decree required. Any dependents' birth certificates, proof of custody, school records, child support order, doctor's verification required.
- 4** **Minimum amount in this category begins at Married Students with 0 dependents and increases accordingly.** "Single Parent Students and Married Students with 1 child" stipends are calculated by adding \$500 to the base minimum of applicable academic system in that category. Any students in this category with more children, an additional \$500 is added per each child (up to 4 children total) for the maximum amount.
- 5** **Includes:** D.D.S./D.M.DD.O./M.D./N.M.D., D.V.M, D.C./D.C.M, O.D., Pharm.D., D.P.M., D.P., and others as designated by awarding institution.
- 6** **Includes:** D.Psy., D.Sc., D.Eng., D.F.A., D.B.A, Ed.D., J.S.D. and others as designated by awarding institution.
